Amsler Grid

- ✓ Check one eye at a time, covering the other.
- ✓ Hold 14 inches away, or at reading distance.
- ✓ Wear glasses if you wear them to read.
- ✓ With one eye, stare at the black dot in the middle.
- ✓ Make sure all of the lines are straight and connecting.
- ✓ If there are any new curves in the lines or breaks call your doctor immediately.
- ✓ Remember to check the other eye.
